PROFESSIONAL SUMMARY

Motivated and design-oriented Full-Stack Development graduate transitioning into project coordination and UI/UX design. Combines a background in customer service and technical development with hands-on experience managing team projects and user-centered designs. Skilled in using Figma, Flutter, and Canva to design clear, accessible interfaces, and experienced in coordinating Agile-style workflows. Committed to delivering structured, user-focused solutions that balance creativity, functionality, and collaboration while staying open to learning and growing my skillset.
